

Tracker Certificate on a China Transport & Infrastructure Basket

Final Fixing Date 23.10.2012; issued in CHF; listed on SIX Swiss Exchange

Market expectation

Price increase in the Underlying.

Product Description

The Bull Tracker Certificate replicates the price movements in the Underlying (adjusted by the Conversion Ratio) and is therefore in terms of risk comparable to a direct investment in the Underlying. At the Redemption Date, the Investor will receive the Final Value of the Basket.

Redemption

The Investor is entitled to receive from the Issuer on the Redemption Date per each Certificate a Cash Settlement in the Settlement Currency equal to the Final Value of the Basket as reasonably determined by the Calculation Agent.

Final Value of the Basket The sum of the products of the Final Fixing Levels of each Underlying Component_i, converted into the Settlement Currency where necessary, and the respective Weights_i, as reasonably determined by the Calculation Agent in accordance with the following formula:

$$\text{Final Value of the Basket} = \sum_{i=1}^7 (W_i \times Ff_i) \times FX_i$$

Where:

W_i = Number of Underlying Components (i) on the Final Fixing Date
 Ff_i = Final Fixing Level of Underlying Component (i)
 FX_i = Prevailing foreign exchange rate on the Final Fixing Date used for exchanging the respective Underlying Component's currency (CCY) into the Settlement Currency, as reasonably determined by the Calculation Agent. For Underlying Components already quoted in the Settlement Currency, if any, this value will be equal to 1.

Final Fixing Level Official close of each Underlying Component_i on the Related Exchange on the Final Fixing Date, as determined by the Calculation Agent.

Should no Final Fixing Level be available on the Final Fixing Date for an Underlying Component_i due to a Market Disruption Event, the Final Fixing Level on the next available Exchange Business Day will apply for such Underlying Component_i, subject to further Market Disruption Events.

Initial Fixing Level An observed price of each Underlying Component_i on the Related Exchange on the Initial Fixing Date, as determined by the Calculation Agent.

Taxes

Swiss Federal Stamp Duty	Secondary market transactions are not subject to Swiss stamp duty.
Swiss Federal Income Tax	For private investors with tax domicile in Switzerland holding the Product as part of their private property, the difference between the Initial Value of the Basket and the Issue Price is subject to the Federal Direct Tax. However, any gains realised on sale or redemption are considered as capital gains and therefore in general not subject to the Federal Direct Tax for such investors. The tax treatment regarding the cantonal and communal income taxes can differ from the tax treatment regarding the Federal Direct Tax. But in general the income tax treatments are corresponding.
Swiss Withholding Tax	The Product is not subject to the Swiss withholding tax.
EU Savings Tax	For Swiss paying agents, the Product is not subject to the EU Savings tax (TK9).

The tax information only provides a general overview of the potential tax consequences linked to this Product at the time of issue. Tax laws and tax doctrine may change at any time, possibly with retroactive effect.

Investors and prospective Investors are advised to consult with their tax advisers with respect to the Swiss tax consequences of the purchase, ownership, disposition, lapse or exercise or redemption of a product in light of their particular circumstances. The Issuer, the Guarantor and the Lead Manager hereby expressly exclude any liability in respect of any possible tax implications.

Product Documentation

Only the Final Termsheet in English language together with the Programme containing all further relevant terms and conditions, as amended from time to time (the "Programme") shall form the entire documentation for this Product ("Product Documentation"), and accordingly the Final Termsheet should always be read together with the Programme. Definitions used in the Final Termsheet, but not defined therein shall have the meaning given to them in the Programme.

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions of the Programme. In addition, any changes with regard to the terms and conditions of this Product will be published on the relevant Termsheet on the Issuer's website www.efgfp.com under the section "Products" or, for listed products, in any other form as permitted by the rules and regulations of the SIX Swiss Exchange. Notices to Investors relating to the Issuer and/or Guarantor will be published under the section "About us" on the Issuer's website www.efgfp.com.

During the whole term of this Product, the Product Documentation can be ordered free of charge from the Lead Manager at Brandschenkestrasse 90, P.O. Box 1686, CH-8027 Zurich (Switzerland), via telephone (+41-(0)58-800 1000), fax (+41-(0)58-800 1010) or via e-mail (TERMSHEET@EFGFP.COM).

Risk Factor relating to the Product

The downside risk of this Product is the same as for the Underlying, i.e. the Investor could lose the total investment if the Underlying value falls to zero.

Additional Risk Factors

Prospective Investors should ensure that they understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared in certain circumstances to sustain a total loss of the capital invested to purchase this Product. Prospective Investors shall consider the following important risk factors and see the section "Risk Factors" of the Programme (pages 5 et seq.) for details on all other risk factors to be considered.

The Product is a derivative financial instrument which does not qualify as a unit of a collective investment scheme according to the relevant provisions of the Federal Act on Collective Investment Schemes ("CISA"), as amended, and is not registered there under. Therefore, the Product is neither governed by the CISA nor supervised by the Swiss Financial Market Supervisory Authority (FINMA). Accordingly, Investors do not have the benefit of the specific Investor protection provided under the CISA.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the Programme.

Investors whose reference currency is not the Settlement Currency should be aware of their possible currency risk. The value of the Product may not correlate with the value of the Underlying(s).

Risk Factors relating to the Issuer/Guarantor

Investors bear the credit risk of the Issuer and the Guarantor of the Product. The Products constitute unsubordinated and unsecured obligations of the relevant Issuer and/or the Guarantor and rank pari passu with each and all other current and future unsubordinated and unsecured obligations of the relevant Issuer and/or the Guarantor. The insolvency of each of the Issuer and the Guarantor may lead to a partly or total loss of the invested capital.

Secondary Market

The Issuers and/or the Lead Manager or any third party appointed by the Issuers, as applicable, intends, under normal market conditions, to provide bid and offer prices for the Products on a regular basis. However, the Issuers and/or the Lead Manager, as applicable, make no firm commitment to provide liquidity by means of bid and offer prices for the Products, and assume no legal obligation to quote any such prices or with respect to the level or determination of such prices. In special market situations, where the Issuers and/or the Lead Manager is/are unable to enter into hedging transactions, or where such transactions are very difficult to enter into, the spread between the bid and offer prices may be temporarily expanded, in order to limit the economic risks of the Issuer and/or the Lead Manager.
