Information about Collateralisation

COSI® - Investor Protection engineered by SIX Group. COSI® are structured products with a minimal counterparty risk. This protection is provided by means of a collateral pledge. Investors thus profit from increased protection on the invested capital.

This product (hereinafter «COSI Product») is collateralized in accordance with the terms of the SIX Swiss Exchange «Framework Agreement for Collateral Secured Instruments» («Framework Agreement»).

The Issuer and EFG Financial Products AG («Collateral Provider») have concluded the Framework Agreement on September 10, 2010 and the Collateral Provider undertakes to secure the current value of the COSI Product in favour of SIX Swiss Exchange.

The legal position of the Investors in relation to the collateralization of the COSI Product is determined by the provisions of the Framework Agreement. The core elements of the collateralization are summarized in a SIX Swiss Exchange information sheet, which is available at «www.six-swiss-exchange.com». The Issuer shall, upon request, provide the Framework Agreement to the Investors free of charge in the German version or in an English translation. A copy of the Framework Agreement may be obtained from the Lead Manager at Brandschenkestrasse 90, P.O. Box 1686, CH-8027 Zurich (Switzerland), or via telefon (+41-(0)58-800 1000), fax (+41-(0)58-8001010) or email (termsheet@efgfp.com).

The costs for the service provided by SIX Swiss Exchange with respect to the collateralization of COSI Products of currently up to 15 Basis Points (0.15%) of the total value of the collateral as well as the borrowing costs of the collateral may be taken into account for the pricing of a COSI Product and may therefore be borne by the Investors, as the case may be.

The payment to the Investors may be delayed for factual or legal reasons.

To the extent the calculation of the current value of a COSI Product proves to be incorrect, the collateralization of the COSI Product may be insufficient.

Apart from the primary listing of the COSI Product on SIX Swiss Exchange the issuer may apply for a secondary listing on further exchanges. All aspects and events related to a secondary listing of the COSI Product shall be disregarded under the Framework Agreement. In particular, events which are related to a secondary listing of the COSI Product, such as the suspension of the market making at a secondary exchange or the delisting of the COSI Product from a secondary exchange, shall not be deemed a liquidation event under the Framework Agreement. SIX Swiss Exchange is at its own discretion entitled to make public the occurrence of a liquidation event and the maturity of the COSI Product pursuant to the Framework Agreement in the countries where a secondary listing is maintained as well as to inform the secondary exchanges or any other bodies about such occurrences.

The current value of this COSI Product is determined by method «A (Fair Value)». More detailed information about the calculation method is available at www.six-swiss-exchange.com.
